

CALLING ALL FIBER FANATICS!

Introducing the "Fiber Lounge"

Alpacafest 2009 is proud to bring you the first annual OABA fiber lounge.

What is the Fiber Lounge?

It's a place to come and explore the wonderful world of alpaca fiber. Visit us to learn about the many uses of their fiber. Come and see demonstrations by artisans, learn about fiber processing, make a fiber project, or just relax with a cup of hot chocolate or cider and make some new friendships!

Located in the SE corner of the Bricker Building,
Courtesy of the OABA Fiber Committee.
