**Cassandra, a 7/8's Accoyo female, is the daughter of My Peruvian Accoyo Pulitzer, who won 1<sup>st</sup> Place and White Color Champion at the 2004 AOBA National Conference and granddaughter of Accoyo PPeruvian Caligula. Her dam is the daughter of 6Peruvian Accoyo Plantel, the Accoyo male chosen first in the 1998 import.**

**Cassandra is a very substantial female reminiscent of both her sire and dam. She has abundant, crimped, dense fleece. Her first shearing with 11 month's growth produced over 6 pounds of fleece with a staple length exceeding 5".**

**Cassandra won 1<sup>st</sup> place in the 2008 Michigan International Alpaca Fest. She is ready to breed and like both her dam and grand dam should be a consistent producer for your farm.**
