

Brett Kaysen
*EVALUATING YOUR ALPACAS
FOR THE SHOW RING*

Brett Kaysen has been an influence in the Alpaca Community on many levels since 2001. He has traveled coast-to-coast teaching seminars on alpacas consisting of classroom presentations as well as "hands-on" workshops.

Brett also holds an instrumental position with the AOBA Judges Training Program where he teaches Oral Reasons and Conformation. Brett has a passion for educating, especially in the area of youth education. He has taught the nation's youth about various livestock industries and has spent countless hours volunteering to educate youngsters involved in 4H programs nationwide.

Brett was raised east of Brighton, Colorado where he has always been involved with every aspect of raising livestock.

Nick Hahn
ALPACAUNITED

Nick Hahn was on the team that founded NYC-based Cotton Incorporated ("The Fabric of Our Lives"). He served as President and CEO, managing a talented group of research, product development, and marketing professionals who brought you new cotton products that don't wrinkle, fade or shrink. These were promoted under the "Seal Of Cotton" logo. Hahn went on to a successful career as a global consultant. Nick also founded Hahn International, Ltd. where he advised third-world farmers on supply-chain competitiveness from farm to retail, including commodity branding and ingredient product marketing. Hahn International, Ltd. has managed projects under USAID, US Millennium Challenge, World Bank, and numerous Private Sector grants. Hahn is a talented speaker and key-noter having addressed prestigious forums from the World Economic Forum Annual Meeting in Davos, SW to the International Cotton Advisory Committee in Peru.

Brion Smoker
Financing

Brion Smoker is Sweet Valley Suris' Chief Financial Officer and a CPA. Brion possesses and shares his expertise related to the alpaca investment and the financial advantages of farm ownership.

Brion believes strongly in continually educating alpaca breeders regarding the alpaca industry and animal husbandry. He prides himself on sharing what he has learned to ensure alpaca breeders get the best benefit for their alpaca ownership.
